Dedication

The Senior Class of 1964 would like to dedicate the 1964 Harvester to two people who are themselves dedicated. We would like to extend our sincere thanks to Mr. and Mrs. Thompson for all their assistance throughout our last two years of school, also for their loyalty as teachers to the school, student body, and community, and for their interest in us and our future.

Administration

Board of Education

V. McMunn, R. McGregor, C. Scharer, R. Williams, R. Jackson, T. Clement, H. Willett. Not Pictured: E. DeLano.

The School Board, although it is not seen by the students in everyday school life, is the guiding force by which our school functions. With the welfare of the school and student body in mind, the Board employs able administrators and staff and provides an academic and extracurricular program.

To the Seniors of 1964:

It has been my good fortune to become acquainted with members of the Sand Creek Class of 1964. I have found each of you to be a fine person with considerable potential.

As you go your separate ways, please remember that all of us are interested in your future and will assist in any way that we can. Personally, I wish to sincerely thank you for your friendliness and inspiration. May each of you experience a rich and rewarding life. You will not be measured by the wealth that you accumulate, but by the good that you do.

--Robert Jackson, Superintendent

Robert Jackson, Superintendent

Administration

Ronald Lahman, Principal

To the graduates of 1964:

A ceremony will change you from a student to a graduate and an alumnus of your school. We all know, however, that a transition such as this was not accomplished by a ceremony alone. It has taken many years of hard work to make this day possible. The goals that you work for in the future will also require much effort on your part. Your high school will always welcome the opportunity to be of further help to you. I want to wish you the best in your undertakings, wherever they may take you.
